

Why partner with Neighbarly? Because...

We Offer Competitive Pricing

- * We charge a very low fee structure compared to other online delivery platforms.

Add Value

- * We provide all the support and tools you need to help your business add to your bottom line.

There Are No Commitments

- * There is no hardware required nor any risk... cancel at any time.

We Are Streamlined & User Friendly

- * We are a software-based integration solution that plugs into your existing business infrastructure.
- * There is no exclusivity to utilize our tech solution; keep all of your existing proprietary and third-party platforms.
- * All of your orders (through any online source) will be placed sequentially in a queue on one screen.

We Help Grow Your Business

- * Cast as wide of net as possible to reach your maximum target customer base.

We Generate Additional Revenue To Your Bottom Line

- * Utilize the NEIGHBARLY.COM locally focused online delivery platform to grow sales and add to your bottom line.

Partner with Neighbarly now and enjoy the following benefits...

Loyalty

- * Utilize our platform to foster repeat orders from loyal patrons even when they cannot physically be in your establishment.

Exposure

- * Increase your presence in your local market.

Website

- * Customize your personalized site within our platform to enjoy continuity of your brand.

Analytics

- * We provide customizable detailed monthly financial reporting to help you analyze your business and optimize your profit potential.

Increased Operating Efficiency

- * Eliminate the need for multiple tablets and hence, save on monthly tablet fees & reduce human error.
- * Eradicate the need to have an employee behind multiple screens. Utilize your workforce for other more meaningful tasks.

Support

- * Our customer and tech support are here to assist you and your business needs.
